To: All EME Aero Suppliers

regarding: sanctions imposed on Russia and Russian entities

Dear Suppliers,

the European Union as well as the United States of America have introduced further regulations relating to Russia's actions destabilizing the situation in Ukraine (including Council Regulation (EU) 2022/1904 of 6 October 2022 amending Regulation (EU) No 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine; Council Decision (CFSP) 2022/1909 of 6 October 2022 amending Decision 2014/512/CFSP concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine; Bureau of Industry and Security, Department of Commerce - Implementation of Additional Sanctions Against Russia and Belarus Under the Export Administration Regulations (EAR) and Refinements to Existing Controls (Federal Register 57068)).

In this regard, for example, the purchase, import or transport of goods of Russian origin or of goods being processed by goods of Russian origin is subject to continuous restrictions.

Due to the fact that EME Aero is strictly committed to export compliance, we require that you comply with the sanctions imposed to the full extent, including that you do not supply EME Aero with any products subject to attachments in accordance with the above laws and regulations, if it's forbidden.

In addition, we require you to stay up to date with the regulations introduced by the European Union and the United States of America in the above-mentioned scope.

Best regards,

EME Aero
